

EXHIBIT 10

FB is one of the most
unprofessional things I
have ever seen.

Judge, I received the
above Facebook screen
shot and text from Cindy
Mendoza last night
sometime. I have not
resigned! I have no
earthly idea what this is
about. Gerald is asleep but
I'm trying to wake him up
to see what in heaven's
name is going on. I just got
up to use the bathroom
and this is what I saw.

Gerald is awake. I tried to call you. He did not send an email that I resigned. His email was that I didn't run for district judge because of the lack of "civility" in light of "Civility Day." And, Gerald is correct in that statement. You yourself told me not to run (and I took your advice) because "they would tear me apart and I would cry everyday."

For the record Judge, and I hope you will post this, I would never ever resign

For the record Judge, and I hope you will post this, I would never ever resign without talking to you first and making a plan. And would never do so through Gerald or anyone else. It saddens me that you chose to talk about our relationship on Facebook. I hope you call me when you wake up. I am awake now. 😞 😞

Gerald just sent you an email so that you would have an explanation in writing. He copied me.
